The Brain Injury Association of New York State (BIANYS) is a statewide non-profit membership organization that advocates on behalf of individuals with brain injury and their families, and promotes prevention. Established in 1982, BIANYS provides education, advocacy, and community support services that lead to improved outcomes for children and adults with brain injuries and their families. Visit www.bianys.org for more information.

The New York Academy of Traumatic Brain Injury is a multi-disciplinary, not-for-profit organization dedicated to traumatic brain injury (TBI) education for professionals and consumers. We have members from across the United States, and we invite membership from those with expertise or interest in the field of TBI. Visit www.nyatbi.net for more information.
